Invitation to the 3rd International Meeting on Endocrine Imaging and Theranostics

Neuroendocrine Tumors: Targeted Imaging and Therapy

Friday, October 18th 2019 from 10h00 to 16h00
Fattoria Moncucchetto, Lugano

Dear Colleagues,

It is a great pleasure to invite you to the 3rd International Symposium on Endocrine Imaging and Theranostics organized by our centre under the auspices of the Swiss Society of Nuclear Medicine-Molecular imaging and therapy (SGNM/SSMN) and the European Association of Nuclear Medicine (EANM).

This year the symposium focuses on **neuroendocrine tumors (NET)**. A panel of internationally renowned experts will provide us an updated review of both imaging procedures and theranostics of NET.

Hoping to meet you in Lugano,
Best regards,

Prof. Dr. med. Luca Giovannella
