After the registration, you will receive a confirmation email with the necessary information to attend the webinar

With the contribution of

FONDAZIONE SIR JOHN ECCLES

Dear Madame, Dear Sirs,

On behalf of the organizing committee, we would like to invite you to the “Lecture of the year 2021” at our Neurocenter in Lugano, Switzerland

The “Lecture of the Year” has been initiated in 2009 with the support of the Fondazione Sir John Eccles to demonstrate our commitment to excellence. We had the privilege to welcome researchers from all over the world, who gave significant contributions in the field of basic and clinical neurosciences.

This year the NSI is pleased to honor Leonardo G. Cohen, M.D., Chief, Human Cortical Physiology and Neurehabilitation Section, NINDS, NIH, Bethesda USA, for his outstanding contributions and pioneer work in the area of “on plasticity of the human motor system in health and disease”

The NSI in Lugano is the only Neurocenter in the Southern Italian speaking part of Switzerland and regroups all public institutions dealing with Neurology, Neuroimaging, Neurosurgery and Pain center encompassing the whole spectrum of neurosciences disciplines, in close collaboration with the USI and other Swiss and international universities and research institutions.

Hoping to welcome you, we send you our best regards,

Prof. Alain Kaelin, MD Dr. Phil.

Program

17h00	Welcome Alain Kaelin
17h05	Introduction Michele Mainardi
17h15	Laudatio Alain Kaelin
17h25	10th Lecture of the Year of the Neurocenter of Southern Switzerland Leonardo G. Cohen <i>“Plasticity of the human motor system in health and disease”</i>
18h15	Discussion All
18h40	Conclusion Alain Kaelin, Michele Mainardi
